DECORATE YOUR DRAWING-ROOMS WITH POLLITT'S DURABLE CARVING AND GILDING.—POLLITT'S LOOKING GLASSES are admitted superior to most manufactures, from the peculiar brilliancy and substance of his CRYSTAL PLATE GLASS, perfectly colourless. POLLITT'S Patent OAK CARVING, universally admired for framing the Art Union (for which there are now registered designs and other fine engravings and ornamental work generally, has been brought to great perfection, and the prices considerably reduced. POLLITT'S DURABLE GILDING, worked by a new process patented, is warranted to keep its brilliancy considerably longer than under the old method, and when faded and usually required to be re-gilt, will clean equal to new.—May be had, gratis, priced sheets of designs for window cornices, picture-frames, looking glasses, console tables, sconces, ottomans, brackets, &c. Old gilding renovated. Estimates for glazing shop-fronts with the colourless British plate, particularly adapted where clear light is required, sent free to any part of the kingdom. From the extent of his trade, and the strict economy in the conduct of his business, W. P. is enabled to offer many advantages unattainable by other establishments. Importers to the trade and large buyers.
